Presidential

Jim Lewis

In January, board members Eric Bruce and Steve Hackler, delivered a detailed map of County Bike Routes to County Commissioner Tom Wall.

Saturday, January 13th, the HARTA Board conducted a Strategic Planning Session. The first objective for the session was to define the goals and objectives for 2018. The goal was defined as: To educate people on the growing trail system, and to initiate programs that would encourage people to get out and enjoy the trail system. The balance of the meeting was spent brainstorming ideas that would allow us to achieve the stated goal.

The first Saturday of each month HARTA hosted Walk with a Doc. Janelle Maxwell headed up the program as an opportunity to get people out walking on the trails. After a brief discussion on a selected health topic, the group would finish with approximately a 1-hour walk. The program was offered each month thru September utilizing different sections of the trail system. In September the event included Yoga in the Park, where we also hosted other health conscious vendors at Rotary Park.

Saturday, April 7th, HARTA hosted the first Opening Day of Trails in Huntington County. The event was held in conjunction with the opening of the Erie Rail Trail from Yeoman Park to Gragg St. Approximately 60-people (walkers, runners, and bike riders) braved a 25-degree morning to participate in the event. HARTA had information available and provided Cookies for the participants.

Thursday, April 19th, HARTA hosted their Annual Dinner at the Forks of the Wabash. The evening began with President Jim Lewis welcoming everyone and talking about HARTA Happenings. This was followed by Vice-President Eric Bruce talking about how Trails Fit In, followed by Mayor Brooks Fetters discussing the current happenings and the big picture of things to come. Next was Dawn Ritchie, Greenways Manager, City of Fort Wayne, who discussed The Bigger Picture and connection trails to other communities. HARTA Board Member Jeff Webb presented HARTA's Membership Program and President Jim Lewis presented the Volunteer of the Year Award which is named after Jim O'Donnell.

On Sunday, April 29th, HARTA assisted with the TAPS Veterans Memorial Bike Ride. HARTA helped with route layout, provided Schenkel Station for the event, and had concessions for sale.

Walk with a Doc

Dr. Janelle Maxwell Pflieger, DO

The 2019 Walk With a Doc series hosted a total of six monthly walks starting in April and continuing through September. Walk participants enjoyed meeting at various Huntington trails and learning more about health topics including stress management, protecting joints from wear and tear as well as the importance of weight control.

The Huntington Walk With a Doc chapter is sponsored and led by Cardinal Family Medicine physicians Dr. Janelle Maxwell Pflieger and Dr. Matt Pflieger. This year our chapter was honored to have one of our own walkers recognized by the national Walk With a Doc organization highlighting the importance of physical activity and a personal relationship with your physician.

The end of the season culminated in a September walk and health fair event which also introduced participants to yoga. At the local Rotary Centennial Park Fountain over 50 attendees began the event with a series of yoga poses led by a local instructor. After warming up, participants completed a two mile walk and had an opportunity to meet with other local area wellness vendors. The Cardinal Family Medicine physicians continue to look forward to planning free community walking events and creating a safe environment to experience health education and physical activity. To find out more information about upcoming walks please check out HARTA's Facebook page or visit <https://walkwithadoc.org/our-locations/huntington-indiana/>

The second annual HARTA Membership Dinner was held on April 19, 2018 in the Richardville Room at the Historic Forks of the Wabash in Huntington, Indiana. Weekly Bike Rides

Jim Lewis

Wednesday, May 16, 2018, HARTA began hosting Weekly Bicycle Rides. The rides are designed to accommodate riders of all ages and abilities, with designated leaders at the front and back of the group to make sure no one is left behind.

The riders left from Schenkel Station at 6:00pm each Wednesday evening between May 16th and October 24th, returning to Schenkel Station at 7:30pm. Number of riders each week ranged from a low of 4 to as many as 15-riders, mostly depending upon the weather.

Helmets are required to participate in the HARTA Weekly Bicycle Ride, in addition each rider is required to sign a waiver (Release of Liability Form) that is kept on file, this form is only required the first week. Every week the rider must sign-in on the Rider Log Sheet, upon returning to Schenkel Station each rider must then sign-out on the Rider Log Sheet. This allows HARTA to insure everyone has made it back from the ride safely.

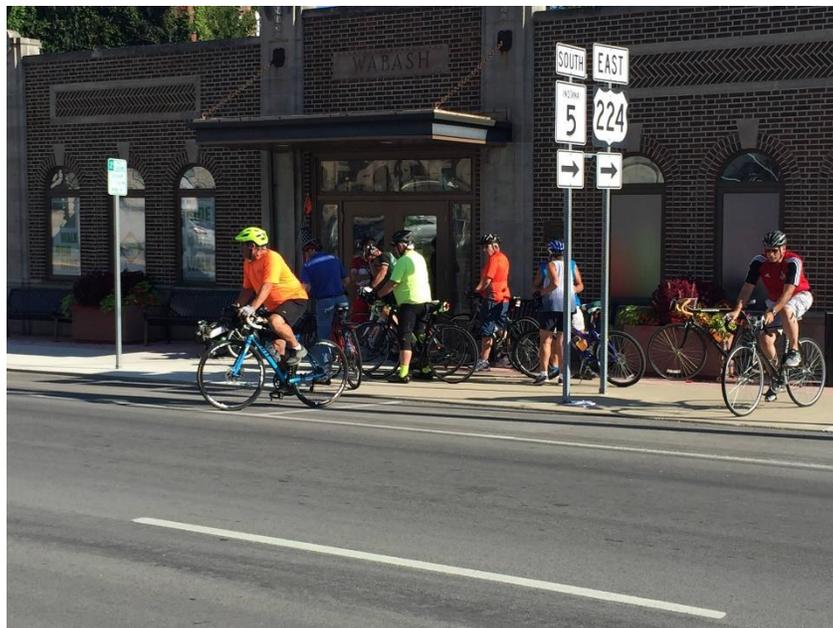

HARTA does not charge a registration fee for the Weekly Bicycle Ride, instead the purpose of the event is to get people out on the trails and lightly traveled county roads to enjoy either a brisk ride for the front group or a nice leisurely ride with fellow bike enthusiasts in the back group.
